Stay awesome.

After all the hard work put into creating cohesive brand design, we want to make sure it stays that way when it heads out into the world. Following these guidelines will ensure the logo is used in a way that upholds the aesthetic standards and keeps your brand looking professional and consistent.

**Our
Brand**

Brand Essence

Our mission's brand is to make the people find their home. We sell not just a house, we sell home. This way are maximising and straighten the family comfort and living the life to the fullest. This gives the family a better community and peace of mind.

Brand Purpose

To bring to the world a lifestyle of convinience, warm, friendly and fun. An integrated real estate services business, Philly operates five business units providing residential property sales, property management, mortgage broking, auction services and career training.

What is our look and feel?

Energetic.

Passionate.

Minimalist.

The inspiration for Philly Property Management is passionate and energetic but bounded with a set of values. It is professional, dedicated and passionate. With the wood accents to keep it feeling warm, friendly and inviting.

Logo Concept

Primary logo

Philly Property Management logo is a typeface with icon. The main lettering style has a serious and professional vibe. The icon 'P' makes the brand recognisable and memorable.

This is the main logo that will be used across primary brand applications. This trademark helps audiences easily identify Philly Property Management offices, signboards, web presence and advertisement across Australia with the same feel of professionalism of the brand. It is essential to the success of the brand that the logo always be applied with care and respect in every application according to these guidelines.

Clear Space

To ensure legibility, always keep a minimum clear space around the logo. This space isolates the mark from any competing graphic elements like other logos or body copy that might conflict with, overcrowd and lessen the impact of the mark.

Minimum Size

The smallest logo should be represented is 50mm.

Prohibited Use

A few rules are necessary for maintaining the integrity of the brand. Don't compromise the overall look of the logo.

A. Do not rotate the logo.
